

Petersfield Dance Festival 2025

Many sections are split. Split list will be added to your account within the next week. Splits are at random. Please only request a split section if absolutely necessary.

- Any tweaks to the timetable will be edited in your account, the most up to date version will always be on the website. The final version will be in the programme which can be pre-ordered via our website to be sent first week of July. Please note sections won't change days but slight timings may change, these will be announced on social media & emailed.
- Sections which are followed by a letter A, B, C & D have been split due to large numbers This will show in your account which split you are in.
- Music upload deadline is strictly 31st May 2025 - Music uploaded after this time will incur an admin processing fee of £2 per track & may not be accepted. Any music missing by the time we create that sections playlist we will assume the entry is not dancing and offer the space to the waiting list. A refund will not be given.
- Music must be uploaded to the correct entry in your account we will not be accepting any music via Dropbox or wetransfer our super snazzy system will rename your music automatically & place in the correct category so all music must be uploaded this way, you can also playback your music so you know you have uploaded the correct version. Any music changed after the deadline will also be subject to the £2 per track admin fee.
- If you are no longer dancing please tick 'not dancing' in your account so we can remove your entry & potentially offer it to another dancer.
- Performers should be onsite 1 hour prior to their section & we will start up to 30mins early for a section without warning so please make sure you sign in as soon as you arrive.
- • A Full festival information email will be sent beginning of July.

I very much look forward to welcoming you to Petersfield Dance Festival if you have any questions please email info@petersfielddancefestival.co.uk

Lucy Russell

Wednesday 23rd July 2025
